

Are you a tax evader?

If you've ever been involved in tax evasion and have still not come clean, then the chances are that you could face the "NO Compromise and NO Tolerance" taxmans' regime.

The taxman has focused attention to specific tax avoidance schemes.

Our advice...

DNS Associates strongly suggests before you become part of any tax avoidance scheme, that you check counsel opinion and the reputation of the accountant who has offered you the scheme. This can protect you from any future problems!
